PROFILE

My name is Danh, I was born on 10/03/2005. I'm a 1st year student in PTIT, a curious person about Tech. I hope to be able to connect with everybody to broaden my networking.

Strengths: - Eager to learn and quickly updates with new trends.

- Proactive and meets deadlines.

- Connect team members.

Weaknesses: - A little Introvert person.

- Often self-imposes excessive pressure.
